

Dear Parent/Carer,

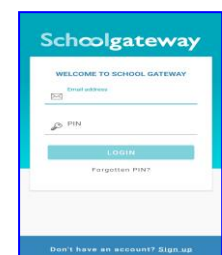

We are pleased to be introducing the **School Gateway** app to Omagh Academy. This is an app that will facilitate engagement between home and school. In the near future, all school related communication, for example, newsletters, reports, timetables and attendance information will be available through School Gateway. The first stage will involve parents/carers receiving notifications of achievements and behaviour.

In preparation for the roll out of the School Gateway app, you are asked to check the information on the attached Data Capture Form to make sure that all the details, especially email addresses and mobile phone numbers, are current. If the information on the Data Capture Form is correct, please sign it and ask your child to return the Data Capture Form to their Form Teacher as soon as possible. However, if details need to be updated, please amend them clearly on the form before it is returned by your child to the Form Teacher.

To stay up to date with what's going on at school, make sure you download the free app. Simply search for **School Gateway** in your App store and download to your smartphone or tablet.

You will need to create an account using the email address and phone number that you have registered with school. A pin will then be generated for access to the app.

If you have any questions or would like further information, please visit the School Gateway site at schoolgateway.co.uk

You can also access the online version of School Gateway via this website address if you do not have access to a smart phone or tablet, although we do recommend using the app if possible.

Yours sincerely,

Mrs R.E.S. Maxwell
(Principal)

Principal:
Mrs R E S Maxwell M.Sc

Vice Principal:
Mr K W J Hamilton M.Sc.
Miss W Faris M.Sc.
