

Important Information for Students

What may happen to your grade during the Centre Review and Appeal to CCEA Awarding Organisation?

If you ask your school or college to undertake a Centre Review of your grade, or if you subsequently ask for an appeal to be submitted to CCEA Awarding Organisation (AO), there are three possible outcomes:

- your original grade goes down, so your final grade may be lower than the original grade you received;
- your original grade stays the same, so there is no change to your grade; or
- your original grade goes up, so your final grade may be higher than the original grade you received.

To initiate a Centre Review, you must complete the form below. You can sign the form with an electronic, handwritten or typed signature. This confirms to your school or college that you have understood what the outcome might be, at any stage of the Centre Review and appeals process, and that you give your consent to a Centre Review and, should you wish, a subsequent Appeal to CCEA AO. A Centre Review or appeal cannot be withdrawn once a finding has been made.

If you believe an error persists once you have received the outcome of the Centre Review and you wish to progress to an Appeal to CCEA AO, you should discuss this as soon as possible with your school or college and ask them to submit your appeal on your behalf. CCEA AO needs to receive an application for appeal from your school or college by **23 August 2021** for priority appeals (those with higher education places pending the outcome of an appeal) or **17 September 2021** for non-priority appeals.

What is a priority appeal?

A priority appeal is for students whose higher education place is pending the outcome of an appeal. You should inform your preferred higher education provider that you have requested a Centre Review or Appeal to CCEA AO.

What is your UCAS personal identifier?

Your UCAS personal identifier is the 10 digit code included in all correspondence from UCAS. This is needed to confirm that a student's place is pending the outcome of an appeal.
