The 2025 Entrance Assessment

The Registration Process (Step 1)

- Parents / Guardians will use a portal in the website www.seagni.co.uk

Step 1 Parent / Guardian Registration

The Registration process starts with the parent / guardian creating their own account in the portal, open from 8.00am on Monday 19th May 2025

This Step involves providing an email address – the email address you will still be using until February 2026 – after the results are issued. A recovery email is also recommended. If you cannot log in to your email, then it will not be possible to access your account.

If a parent has more than one child sitting the Entrance Assessment, then both Pupil Applications can be carried out using the same Parent Registration with the same email address.

If you had set up a SEAG account in 2023 or 2024 and you have another child sitting the Entrance Assessment in 2025, you will need to set up a new account for 2025.

If you cannot access a smartphone, tablet, laptop or other electronic device to register your child on the SEAG website, please give your details to us and we will contact SEAG on your behalf.

The 2025 Entrance Assessment

The Registration Process (Step 2)

Step 2 Pupil Application

Details about the pupil who is being registered are entered.

The name and date of birth which the parent / guardian enters **MUST** be identical to the information on the birth certificate for the Pupil Application to be valid.

The parent / guardian chooses the SEAG school (Assessment Centre) where they would like their child to sit the Entrance Assessment.

The drop-down list will, initially, contain all 63 schools but, over time, a school could reach its maximum capacity. If that happens that school will no longer appear in the list of choices. **Contact Omagh Academy if we do not appear on the list (028 8224 2688).**

The Registration Process (Step 3)

Step 3 Add Essential Documentation

The birth certificate and passport sized photograph are uploaded to confirm the identity of the pupil.

When registering their child, a parent / guardian can save the details and return later to the portal to complete the process.

However, the birth certificate* and a passport sized photograph need to be available and uploaded at some point before submitting the Pupil Application.

The photograph should be a head and shoulders picture of the child.

*If a child's name has been changed by Deed Poll, then a copy of the Deed Poll and not the birth certificate should be uploaded.

The Registration Process (Step 4)

Step 4

Access Arrangements

- You will be asked if your child has **Special Educational Needs**; is requesting **Access Arrangements**; has a **Medical Condition*** and/or has **English as an Additional Language (EAL)**.
- At this step, parents/guardians **must** answer YES or NO to 4 important questions regarding Access Arrangements.
- If you select **“YES”** for **any** of these questions, you will be taken to the **“Access Arrangements”** area before finally submitting your application.
- *If, for example, your child has asthma and would need to use an inhaler during the Assessment you need to let SEAG know this. If you are not requesting Access Arrangements, you can just tick “YES” beside the “Medical Condition” button and leave everything else as “NO”.*

The Registration Process (Step 6)

Step 6 Payment

As part of the pupil registration process the parent / guardian is required to pay a non-refundable administration fee of £20 through a secure online payment method.

Those entitled to Free School Meals (FSME) are exempt from the administration fee and must provide necessary verification of FSME status, provided by the Education Authority, when registering.

Parents / Guardians will need to make sure that they have a debit / credit card available to make the payment OR

If exempt through FSME then current evidence of FSME must be uploaded which includes the child's name and date of birth. *Evidence can be a copy of either: the **current** FSME confirmation email from the EA OR a screenshot from the EA portal account which provides evidence of your child's **current** FSME OR a **current** FSM "Entitlement Letter" from the EA.*

The Registration Process (Additional notes)

- ✓ **Access Arrangements** - If a parent has made an Access Arrangements Request, this is reviewed separately, by the Access Panel; the parent will receive an email once an Access Arrangement decision has been made.

The 2025 Entrance Assessment

The Registration Process - Requesting Access Arrangements

- Parents continue to the Access Arrangements Section, where they must use the text box provided, to outline details of their child's need. This would include details of any Special Educational Need(s) and/or Medical Conditions and/or EAL, whether or not they are requesting an Access Arrangement.

E.g., Your child could have asthma and while you may not want to request an Access Arrangement, you should use the text box to inform SEAG that they will need to bring an inhaler. Alternatively, you should use this box to describe your child's Special Educational Need(s) as appropriate.

Your child may have a serious or long-term medical condition and, while you may not want to request an Access Arrangement, use the text box in the Access Arrangements section to inform SEAG about the medical condition.

- If an Access Arrangement is being requested, there will be an opportunity to indicate the relevant Access Arrangements AND upload the documentary evidence to support the request(s).
- Parents can complete and submit the Access Arrangements Section at any time up to the close of registrations - 19th September 2025 (11.59pm). Before the Access Arrangements Section is submitted, parents can edit their Access request(s) and add to or amend uploaded supporting evidence as much or as often as they need to. Only submit the Access Arrangements Section when the arrangements, explanations and evidence upload are all completed. You cannot edit after submission.

- Details, including the format and specification of the Entrance Assessment, are provided on the SEAG website in the “Guidance for Parents” section.
- Two SEAG Practice Papers, along with Practice Answer Sheets and a Guide for Parents with the Answer Keys for each question on each paper, are also provided.

In summary:

- Both Papers have an identical format.
- Each starts with a Practice Test section containing 5 English questions and 5 Maths questions.
- The Practice Test section allows pupils time to settle and practise answering the same types of questions as those in Main Paper but without those questions being marked or timed.
- The Practice Test section is followed by an English section which has 28 questions and then a Maths section which also has 28 questions.

The 2025 Entrance Assessment

The Papers (2)

- The actual Entrance Assessment papers to be taken in November 2025 have the same format as the Practice Papers which are on the website.
- The English begins with a punctuation exercise (5 questions), followed by a grammar exercise (5 questions) and a spelling exercise (5 questions). All 15 questions are multiple choice.
- Next, pupils are asked to read a comprehension passage and answer 13 questions which follow. Questions 16-22 are multiple choice and questions 23-28 are “free response” where the pupil writes a short answer to each in the space provided in the Answer Sheet.
- Spelling is only assessed in the spelling exercise NOT in the free response answers.
- The first 22 Maths questions (29-50) are multiple choice and the final 6 questions (51-56) are “free response” where the pupil writes a short answer to each in the space provided in the Answer Sheet.
- Invigilators tell the pupils when to start the Main Test and pupils will have 60 minutes* to work through the paper (*unless granted additional time through Access Arrangements).
- Invigilators will also tell pupils when they have 30 minutes left and when they have 10 minutes left. (*Timing prompts are slightly different for those with additional time*)
- Each pupil is free to start the Main Test with either the English or the Maths section.
- When completing a multiple choice answer on the Answer Sheet a pupil may draw a horizontal line OR shade in the little box. Both are equally acceptable.

 4. The Maths SAS
 5. Information about the Cohort Percentile Ranking

The 2025 Entrance Assessment

SEAG Outcomes (2)

1. The Total Standardised Age Score (TSAS)

- This is the pupil's overall outcome from the SEAG Entrance Assessment based on answers to the 56 English Questions in Papers 1 and 2 and the 56 Maths questions in Papers 1 and 2.
- The Total SAS is the sum of the English SAS and the Maths SAS.
- The Total SAS range will be 138-282 with a mean (or average) of 200.

A Standardised Age Score (SAS) takes account of a child's age when he/she took the assessment, the number of correct answers and the degree of difficulty of the assessment. Parents / Guardians may be familiar with the scores from standardised tests used in their child's primary school, e.g. Progress Test in English and / or Progress test in Maths, which also use SAS.

Inspire Empower Achieve

The 2025 Entrance Assessment

SEAG Outcomes (3)

2. The Band

- There will be six Bands.
- The Bands will be designated as Band 1, Band 2, Band 3, Band 4, Band 5 and Band 6.
- Cohort Percentiles will be used to determine the borderline for each Band (See Outcome 5).

SEAG Band	1	2	3	4	5	6
Cohort Percentile	60%+	50-59%	40-49%	30-39%	20-29%	<20%

60%+ (Band 1) means pupils who are in the top 40% of those who sat the Assessment; 50-59% (Band 2) means pupils who are in the top 50% but not the top 40% of those who sat the Assessment, etc.

Sitting just one of the two Papers

The SEAG Entrance Assessment consists of two papers.

- Pupils who only take one paper (i.e. either Paper 1 or Paper 2 but not both) will **not** have completed the full Entrance Assessment.
- Such pupils will, however, have their “single paper” marked by GL Assessment.
- The SEAG Board has determined that pupils who only sit one paper should be provided with SAS and Band outcomes which reflect their performance.
- Outcomes for pupils who only sit one paper will have the designation “e” (for estimate) immediately after the Outcome, e.g. TSAS 196e; Band 4e.
- **Apply for Special Provisions**
