

# GrassRoots Agriculture Club

Where you can learn more about Agriculture, Environment and Rural affairs.

## AIMS:

### INVEST

in your Agriculture **interests**

### ENGAGE

you with **current** affairs

### INSPIRE

a passion for **local** produce

### EQUIP

you with life-long skills

- Variety of expert speakers who will broaden your knowledge of the industry.
- Up-to-date and current Agri-food industry issues and topics.
- Factory and farm visits to broaden your knowledge of the 'field-to-fork system' and potential career pathways within these industries.
- Competitions and Farming/Agri-food news.

## TIME & LOCATION:

- Tuesday Lunchtime
- 1:10 -1:35 pm
- Lecture Theatre
- Check the noticeboard outside Room 10 or Teams for exact details.

## PROGRAMME:

A programme of events will be available to view each term via:

- Teams group (see Mrs Lennox to get added to the Team)
- Noticeboard outside Room 10.

## STAFF:

Mrs A. Lennox  
Mr K. Hamilton  
Mrs L. Gregg

## STUDENT COMMITTEE:

A group of students will be elected each year to support club members and assist in making the club events engaging and relevant to your interests.

## Why attend?

If you are ...

- From a farming background
- Or have an interest in farming
- Or have an interest in the Agri-food industry
- Or are considering studying Agriculture at GCSE or Alevel
- Or are considering applying to Greenmount/Harper Adams
- Or are considering applying to CAFRE/Food related courses
- Thinking of an agriculture related career
- Thinking of a career within the food industry
